The target date for applications is: **Wednesday, April 9, 2025**

As previously shared, The Board of Regents anticipates all finalists visiting the College and interviewing with the Board in mid-to-late May. Each finalist will participate in public forums and all who attend the public forums will have the opportunity to share their feedback. This feedback will go directly to the Board of Regents for their review and consideration. Details about the exact dates, times, and location will be forthcoming, once finalized.
